

CIRC VET

CIRCULAR ECONOMY PRACTICAL TRAINING MATERIALS
FOR PLASTIC MANUFACTURING INDUSTRIES

PRIVACY POLICY

CIRC VET is an Erasmus+ Alliances for Education and Enterprises from six EU countries, organized in a consortium composed by:

- Asociación de Investigación de la industria del juguete conexas y afines (ES)
- Centro Tecnológico da industria de moldes e ferramentas especiais - CENTIMFE (PT)
- Gemeinnützige KIMW-Qualifizierungs GmbH (DE)
- Polymeris (FR)
- Proplast (IT)
- Lietuvos Inžinerines Pramonės Asociacija – LINPRA (LT)
- Universidad de Las Palmas de Gran Canaria (ES)
- Infinitivity Design Labs (FR)
- Alytaus Profesinio Rengimo Centras (LT)
- Università degli Studi di Trento (IT)
- Hub Innovazione Trentino - Fondazione (IT)
- Visagino Technologijos Ir Verslo Profesinio Mokymo Centras (LT)

The main objectives of the consortium are:

- Develop training materials according to company's needs, covering all the value chain of plastics in 6 EU languages
- Adapt them to be used in I-VET (Initial vocational education and training) and C-VET (Continuing vocational education and training)
- Produce MOOCs/NOOCs available accredited through micro-credentials
- Develop e-learning platform
- Build strong LINKS between ACADEMIA/VET CENTRES/COMPANIES
- Pilot and validate them with around 80 companies and 200 students of the sector

A. Purpose and legal basis of the processing of personal data

In accordance with the provisions of Regulation (EU) 2016/679, of 27 April (General Data Protection Regulation - GDPR), the personal data we request is that necessary to carry out

the objectives and activities of the project and will be shared within the CIRC VET project partners.

Processing shall be carried out under the legal bases provided for in Article 6.1 of the GDPR. You have the right to withdraw your consent at any time (see Your Rights hereunder).

1. When you make use of our website:

We use a third-party service, Google Analytics, to collect standard internet log information and details of visitor behavior patterns. We do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone. We do not make any attempt to find out the identities of those visiting our website.

Cookies Policy is available on our website: www.circvet.eu

This data processing is based on your consent (article 6.1.a of the GDPR).

2. When you subscribe to our newsletter:

Based on your consent (article 6.1.a) of the GDPR:

Your contact data will be part of our database of contacts, and we will use it to deliver our newsletter.

You may unsubscribe from our newsletters at any time.

3. When you:

- complete a form we issue, whether on or off-line (for example, a survey questionnaire)
- register and/or attend one of our events / forums on or off-line
- sign up to take part in any piloting of the training program modules

Based on your consent (article 6.1.a of the GDPR):

Your contact data will be part of our database of contacts, and we may use it:

- to help gather the results of a survey
- for further contact by email
- to inform you of the progress/completion of the project
- to invite you to events / forums
- to gather feedback from you
- to invite you to participate in a pilot of the training program

4. When you email us or contact us directly:

We process your contact details, when required, in order to provide you with the requested support. All our emails are archived for audit purposes for the duration of our audit obligations.

This data processing is based on your consent (article 6.1.a of the GDPR).

5. When you contact us to make use of your data subject rights:

We process your contact details and the proof of your identity you send us in order to address your request. We can also, depending on your request, process other personal data we have collected also in order to address your request.

This data processing is for compliance with legal obligations to which we are subject (article 6.1.c of the GDPR).

6. We can also collect data that you otherwise made public in order to contact you when we think it is relevant for you and for us.

This data processing is based on our legitimate interests and aims at creating collaboration in our fields of activities (article 6.1.f of the GDPR).

B. Type of data collected

To pursue the purposes indicated in paragraph A, the following personal data will be collected:

- name of the subject
- surname of the subject
- e-mail address
- Institution/Company name
- Position Company

C. Controllers of personal data processing

Controllers of the personal data processing are:

- Asociación de Investigación de la industria del juguete conexas y afines (Project Leader partner)

Address: Avda. de la Industria 23. 03440, Ibi. Alicante. España

Contact point: José Carlos Agustí Chust; carlosagusti@aiju.es

Data officer: enriquesegui@aiju.es

- Centro Tecnológico da indústria de moldes e ferramentas especiais - CENTIMFE (PT)

Address: Zona Industrial do Casal da Lebre, Rua da Espanha, lote 8, 2430-028

Marinha Grande, Portugal

Contact point: Rui Tocha (rui.tocha@centimfe.com)

- Gemeinnützige KIMW-Qualifizierungs GmbH (DE)

Address: Street Karolinenstraße 8 - 58507 Luedenscheid, Germany

Contact point: Ing. Torsten Urban urban@kunststoff-institut.de

- Polymeris (FR)

Address: 180 rue Pierre et Marie Curie 01117 Bellignat, Oyonnax, France

Contact point : Paulina BERGANZA BECERRA europe@polymeris.fr

- Proplast (IT)

Address: Via Roberto Di ferro, 86 – Alessandria - Italy

Contact point: Susana Remotti – susana.remotti@proplast.it

- Lietuvos Inžinerines Pramonės Asociacija – LINPRA (LT)

Address: Juozo Balčikonio str. 3, LT-08247, Vilnius, Lithuania

Contact point: (name, surname, and e-mail) Darius Lasionis,
darius.lasionis@linpra.lt

- Universidad de Las Palmas de Gran Canaria (ES)

Address: Calle Juan de Quesada, 30, 35001 Las Palmas de Gran Canaria, Las Palmas. España.

Contact point: Noemí Rey Yébenes - dbpd@ulpgc.es

- Infinitivity Design Labs (FR)

Address: 2 Planet de la Croix, 43150 Laussonne

Contact point : Saint-Clair Lefèvre – projects@infinitivitydesignlabs.com

E. Communication and dissemination of personal data for the pursuit of the purposes of the processing

The data will be communicated exclusively to the controllers indicated in paragraph C and only in the cases provided by law to the EACEA for audit purposes.

The personal data will be processed only in the EU.

F. Storage periods

We will retain those data as long as they are relevant for our activities and to comply with our project contractual terms concerning audit obligations.

The audit obligations end 5 years after the end of the project with an expected completion date of August 30th, 2025.

The data will be stored in a database processed by Proplast and will be automatically deleted at the end of retention time.

G. Rights of the data subject

The data subjects may exercise their rights to access, rectification, erasure, restriction of processing, objection to processing or portability of their personal data by addressing the contact point at: info@circvet.eu or any of the controllers' contact points listed under section C of this document.

H. Contacts

Each project partner respects the provisions of REGULATION (EU) 2016/679.

For any doubts, questions, and requests regarding the processing of personal data please refer to the following email address managed by the project leader partner:

info@circvet.eu
